

Terms and Conditions of Purchasing a Vehicle for You:

At Cletdor Auto, we can help you purchase a vehicle of your choice from any auctions across North America as a broker/middleman at a very affordable price. To purchase a vehicle, it is enough to provide us with information about its brand and equipment, as well as the country to which it will be exported. We will select the best deals for you within a reasonable timeframe.

Purchasing a car for you, we have two options:

- (1) We can help you buy a car at a flat fee of \$200 USD. Conditions apply: you will have to pay the full amount on the purchase receipt, including trucking fees (i.e., purchase price plus all applicable charges and trucking fees), within 2 business days of purchase, including the day of sale, to avoid a fee of \$50.00 per vehicle, per day.
- (2) We can agree on a fixed price which covers buying, shipping, and clearing or buying and shipping excluding clearing, with an agreeable payment arrangement, whichever you feel comfortable with.

Other Fees (If Applicable):

- **Late Payment Fee:** The vehicle amount and all applicable fees must be paid within 3 business days of purchase, including the day of sale, to avoid a fee of \$50 USD per vehicle.
- **Storage Fee:** After 4 days of purchase, if the vehicle is not paid for and picked up from the purchase location, storage rates of \$30 USD apply; this may vary by location.
- **Vehicle Relist Fee:** If the lot is not paid in full within 8 calendar days (including the day of sale), the vehicle will be relisted. The Relist Fee will be 10% of the final sale price with a minimum of \$600 USD. If you have a deposit on file, the relist fee will be taken out of your existing deposit.

Please note that whichever option you choose, there will be a 15% deposit required before we begin the searching and buying process for your dream car.
